SECTION 3 YOUR SOURCE OF WEALTH

The Insurance (Anti-Money Laundering) Regulations 2008 requires all Isle of Man life companies to “make enquiries as to how an applicant has acquired the monies to be used as premium for, or contribution to, a policy.” This reflects the Isle of Man’s commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to meet these regulations, categorising all countries that we will accept business from into 1 of 3 tiers. Each tier has different source of wealth requirements. We have categorised countries according to their level of compliance with international regulatory standards.

Full details on the source of wealth procedures can be obtained from your financial adviser or can be downloaded from www.rl360.com/sourceofwealth.pdf.

You must complete the annual salary question in full, in all cases, and for both policyholders as applicable. You must also disclose to us any other sources of wealth within this section. Please use Section 4 if you require more space for details.
