IMPORTANT NOTES

Processing switches

We will process your instruction to switch on the day on which we receive it, subject to:

- your instruction being received by 12pm (UK time) on that day
- our offices being open for work on that day
- all necessary information and documentation being supplied
- compliance with the Terms and Conditions.

If, for whatever reason and further to the above criteria, we are unable to process your instruction on the day on which we receive it, we will process it on our first working day thereafter.

General

Where the provider of a fund linked to your plan becomes insolvent, your plan will incur the loss.

Where applicable, please ensure that the authorised signatory list(s) that we hold for this plan are up-to-date before submitting dealing instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will delay switching.

We are not authorised to provide you with investment advice, and we would always recommend that you consult an appropriate financial adviser before making investment decisions.
