

INTERNATIONAL FLEXIBLE TRUST (CORPORATE TRUSTEE)

This deed is provided as a draft to be considered by you and your professional adviser. We can accept no responsibility for the tax or any other consequences arising out of you executing this deed, or for ensuring that the deed meets with your requirements.

For more information about the International Flexible Trust, please refer to our Guide to Trusts and the International Flexible Trust Case Study.

NOTES

Under Tax Regulations and intergovernmental agreements entered into by the Isle of Man in relation to the automatic exchange of information for tax matters (collectively "AEOI"), RL360 is required to collect information about each Settlor, Trustee and Named Beneficiaries of trusts. (Where any of the Named Beneficiaries are minors, this will be required once they reach 18 years old.)

RL360 will provide the information directly to the Isle of Man Income Tax Division (IOMITD) who may then provide the same information to the relevant jurisdiction. RL360 does not send any information direct to other jurisdictions.

Specified US Person means a US citizen or tax resident individual who has a US residential/correspondence address or who either holds a US Passport, a US Green Card or who was born in the US and has not yet renounced their

US citizenship. More information on US FATCA can be found at: www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA

If you choose Yes to being a Specified US Person, you will need to provide us with your US Taxpayer Identification Number (TIN) or US Social Security Number (SSN).

If you choose No but you have a US residential/correspondence address, hold a US Passport, a US Green Card or you were born in the US, you will need to provide us with documentary evidence that you are in the process of or have renounced your US Citizenship. RL360 can accept a certified copy of your DS-4083 form (also known as CLN - Certificate of Loss of Nationality) and/or a certified copy of your passport in which you are obtaining new citizenship.

COMPLETING THE TRUST FORM

(The numbering denotes the relevant clause in the trust form.)

The Settlor - Creating the Trust

In a case where the Settlor has applied for a plan which is yet to be issued, the trust form must be dated on or after the commencement date of the plan. In the case of an existing plan it should be dated when the trust form is completed.

Who are the Trustees?

The Trustees are the future legal owners of the Initial Trust Property, i.e. the property specified in Part 1 and/or Part 2 of the Schedule, holding it upon trust for the benefit of the person(s) specified in the Trust.

B(ii) There must be at least one Trustee entered at B(ii) for the Trust to be effective, but up to four Trustees may be nominated. We strongly suggest that either two individuals or one trust company be appointed, and that one of the Trustees be independent, i.e. someone who is not a beneficiary of the Trust. Individual Trustees must be aged 18 or over.

D(ii) The Settlor may appoint new Trustees to act with the existing Trustees of the Trust or to replace retiring Trustees. After the Settlor's death, (or the death of both Settlers where more than one) the Trustees may appoint Trustees.

D(iii) The Settlor, so long as there is one Trustee still acting after the removal, may remove a Trustee from office.

What is included in the Trust?

B(iii) If a plan is to be transferred into trust and B(iii)(a) or (b) apply, details should be inserted in the relevant box. Any assets to be transferred to the Trustees at the outset in addition to or in place of a plan should be specified in Part 2 of the Schedule. Further assets may be added to the Trust Fund later, by transferring them to the Trustees.

The Beneficiaries

B(v) The first step is to identify the intended beneficiaries of the Trust (the Named Beneficiaries) and their respective shares. These are the beneficiaries who will benefit if no one is nominated by the Trustees from the list of Discretionary Beneficiaries at B(vi) (see below), or if the Trustees have made a prior appointment of some but not all of the trust assets. The Named Beneficiaries will have an interest in possession in those trust assets not appointed by the Trustees to any one or more of the Discretionary Beneficiaries.

The Settlor may himself be a Named Beneficiary. This will be appropriate if the Settlor is expecting to need access to the Trust Fund. Even if the Settlor is not a Named Beneficiary, as he is one of the Discretionary Beneficiaries the Trustees could appoint all or part of the Trust Fund to him.

If a Named Beneficiary dies, the Trustees may appoint their share to any of the Discretionary Beneficiaries.

Changing the Beneficiaries

B(vi) The Settlor may add additional persons to the class of Discretionary Beneficiaries by completing the space provided at B(vi) (g). The Settlor may also add to the class of Discretionary Beneficiaries at any time either by a signed document given to the Trustees while he is alive or by will, or by both methods.

Signing the Trust

I. The trust deed must be signed by the Settlor(s) and Trustee(s) before a witness who must sign against each signature. The witness must be independent, over 18 and not a relative of the person whose signature is being witnessed.

Once signed, the trust form must be returned to RL360 for noting and return. When returned to you, it should be kept with the plan schedule and other trust documents.

Please complete this form using **BLOCK CAPITALS** throughout.

- ii) The Trustees shall, in default of such appointment or so far as no such appointment shall extend, hold the Trust Fund for the benefit of the Named Beneficiaries and in the Appropriate Shares specified in Clause B(v) of the Trust Deed and if no such shares are specified and there is more than one Named Beneficiary then in equal shares.
