Sub-Fund Mergers

KEY FACTS OF THE MERGERS

BACKGROUND:

The principal aim of the Sub-Fund mergers is to focus the investment capabilities of the enlarged Amundi group which resulted from the merger of the Amundi and Pioneer Investments groups. The mergers will enhance the Amundi range of funds available to investors and provide opportunity for efficiencies and economies of scale. Some sub-funds of Amundi Funds will be consolidated into other sub-funds of Amundi Funds.

Appendix III lists the sub-funds of Amundi Funds ("Merging Sub-Funds") which will merge into sub-funds of Amundi Funds ("Target Sub-Funds").

MERGER DATE:

The Merger Date for each Sub-Fund is shown in Appendix III.

COSTS AND EXPENSES OF THE MERGER:

The costs and expenses of the merger will be borne by Amundi Luxembourg S.A., acting as the Management Company of Amundi Funds, except banking and transaction related costs.

APPLICABLE LAW AND RULES:

The merger complies with Chapter 8 of the law of 17th December 2010 on undertakings for collective investment, as amended and Article 30 of the Articles of Association and the "Liquidation or Merger" section of the prospectus of Amundi Funds.

MERGER PROCESS

PRIOR TO THE MERGER:

During the period commencing 4 business days before the Merger Date, the investment manager of the Merging Sub-Funds may rebalance and align the investments of those Sub-Funds with the investment objective and policy of the Target Sub-Funds. As a result, the portfolio or performance of the Merging Sub-Funds may be materially affected.

This will not affect the investment management of the Target Sub-Funds.

WHAT HAPPENS ON THE MERGER DATE:

On the Merger Date, each Merging Sub-Fund will transfer all its assets and liabilities to the Target Sub-Fund. As a consequence, the Merging Sub-Funds will cease to exist.

In exchange for your Shares of the relevant Share Class of a Merging Sub-Fund, you will receive a number of Shares of the relevant Share Class of the Target Sub-Fund equal to the number of Shares held in the relevant Share Class of the Merging Sub-Fund multiplied by the relevant exchange ratio. Fractions of Shares shall be issued up to three decimals. The exchange ratio will be calculated by dividing the net asset value of the Shares of the relevant Share Class of the Merging Sub-Fund dated as shown in Appendix III by the net asset value of the Shares of the relevant Share Class of the Target Sub-Funds having the same date. On the Merger Date, you will become a shareholder of the relevant Target Sub-Fund.

No cash payment will be made as part of the exchange of Shares of the Merging Sub-Funds into Shares of the corresponding Target Sub-Funds.

MERGER REPORT:

The Auditor of Amundi Funds will issue a merger report, which will be available free of charge at the registered office of Amundi Funds.

IMPACT OF THE MERGER

A detailed comparison of the Merging and Target Sub-Funds is shown in Appendices II and III which you will find on www.amundi.lu. Please read the Key Investor Information Documents relating to the relevant Shares of the Target Sub-Funds, which are also available at www.amundi.lu.
