**THIS LETTER IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION.
IF IN DOUBT, PLEASE SEEK PROFESSIONAL ADVICE.**

16th November 2020

Dear Shareholder,

We are writing to you as a holder of Shares in one or more funds of Fidelity Funds (each a “**Fund**” and collectively, the “**Funds**”).

As part of the ongoing process whereby Fidelity International (“**FIL**”) regularly reviews its range of funds, we are hereby notifying you of the following amendments to the prospectus of Fidelity Funds (the “**Prospectus**”).

Any terms not defined herein shall have the same meaning as in the Prospectus.

Description of the Changes

For full details of the changes below, including the dates on when these changes will be effective, your options and associated dealing timelines, please refer to Appendix I: Details of Changes to Fidelity Funds (“**Appendix I**”) available on FIL’s website (www.fidelityinternational.com). Instructions on navigating the website to this Appendix I are included in the Instructions section at the end of this letter (this letter, together with the Appendix I, this “**Notice**”).

I. Repurpose of certain Funds

The changes are designed to evolve FIL’s product line up to meet changing client needs and aim to provide clients with superior outcomes.

The main characteristics of the following Funds (the “**Repurposed Funds**”) will be changed, generally also leading to a new name of the Repurposed Fund:

Save and except for the changes disclosed in this Notice, there will be no other change in the operation and/or manner in which the Repurposed Funds are being managed in practice.

Further, there will be no change in the fee level of the Repurposed Funds following the implementation of these changes.

In certain cases, share classes may close or be merged into a new class. Some hedged share classes may change to unhedged share classes.

In certain cases, a period of time after the effective date may be required to align the portfolio to the updated investment objective of the Repurposed Fund (the “**Rebalancing Period**”). The transaction costs (brokerage fees, stamp duties, taxes, custodian commission and charges paid to stock exchanges) which may arise in relation to the repurpose exercise during the Rebalancing Period (as disclosed in Appendix I) will be borne by each of the Repurposed Funds and will be capped at 0.2% of the relevant Repurposed Fund’s Net Asset Value. If the actual transaction costs of a Repurposed Fund during the Rebalancing Period exceed 0.2% of its Net Asset Value, such excess will be borne by FIL Fund Management Limited, the Investment Manager of Fidelity Funds (and/or any of its affiliates within FIL Group).
