Dear <Salutation>

CHANGES TO THE VAM MANAGED FUNDS (LUX) – DRIEHAUS FUND AND IMPACT ON YOUR RL360 PLAN <PRODUCT> <PLAN NUMBER>

VAM Managed Funds (Lux) has announced a number of changes to its VAM Managed Funds (Lux) – Driehaus Fund (the “Fund”) that will take effect on 1 September 2021 (the “effective date”).

Your plan invests in the fund so we wanted to make you aware of the changes and explain your options for switching to a different fund if you prefer.

Summary of the changes

From the effective date the name of the Fund will change from VAM Managed Funds (Lux) – Driehaus Fund to VAM Managed Funds (Lux) – VAM Fund.

Also the investment manager of the Fund will change from Driehaus Capital Management LLC to Rivers Capital Management Limited.

Finally the investment policy and objective of the Fund will be amended in order to broaden the investment scope of the Fund. A comparison of these changes can be found overleaf.

Your options

If you are happy with these changes, you don't need to do anything. However, if you would prefer to switch to a different fund available to your plan, it's free of charge, and very easy to do. You may want to discuss the options with your financial adviser before deciding.

Switching funds is easy

Visit the SPILA fund centre at www.rl360.com/row/products/closed-products/spila/fundcentre.htm to help you decide on a new fund, or funds. After that choose one of the following options:

<p>The objective of the Fund is to provide long-term capital appreciation over the full investment cycle through the aggressive growth investment style of the Investment Manager. The Fund will invest, in accordance with and subject to the investment restrictions set out in section 1.3 "Investment Restrictions" of the Prospectus, substantially all of its assets in various compartments of VAM Funds (Lux), a Luxembourg undertaking for collective investment qualifying as a UCITS, that are also managed by the Investment Manager. Not more than 20% of the Fund's net assets will be allocated to a single compartment of VAM Funds (Lux). The current Prospectus and the annual and semi-annual reports of VAM Funds (Lux) are available upon request.</p> <p>The Fund may, for defensive purposes and on a temporary basis, invest 100% of its assets in liquid assets such as short-term fixed income instruments, money market instruments, deposits, money market UCIs or cash.</p> <p><u>The Fund may invest in financial derivative instruments only for the purpose of hedging risks.</u></p> <p>There can be no assurance that the Fund will achieve its objective.</p>	<p>The objective of the Fund is to provide long-term capital appreciation.
