Amendment to the investment policy of one sub-fund of Franklin Templeton Investment Funds

Dear Shareholder,

We would like to inform you that the board of directors of Franklin Templeton Investment Funds (the “**Company**”) has decided to amend the investment policy of the Templeton China Fund (the “**Fund**”) to remove the 20% limit of investments in China A-Shares.

Therefore, with effect from March 8, 2023, the fourth paragraph of the Fund’s investment policy is amended as follows:

“The Fund may invest up to ~~20~~100% of its net assets ~~in aggregate~~ in China A-Shares (through Shanghai-Hong Kong Stock Connect, Shenzhen-Hong Kong Stock Connect, through qualified foreign investor (QFI) portfolios, UCIs and any permissible means available to the Fund under prevailing laws and regulations) and up to 20% of its net assets in China B-Shares. For the avoidance of doubt, the Fund will not invest 70% or more of its net assets in China A-Shares solely via the QFI channel.”

There will be no material impact on the way the Fund is managed, its risk profile or SRRI nor on the fees charged. The new investment policy will be reflected in an updated version of the prospectus of the Company, a copy of which will be available online or at the registered office of the Company, upon request. All other features of the Fund remain the same.

What you need to do

You do not need to do anything if you are satisfied with the change. You also have the option to switch your shares into other funds of the Company provided that such funds are available for distribution in your country. You may also request a redemption of your investment. Should you wish to proceed with either option, please refer to the latest prospectus terms. Such requests of switch or redemption will be executed free of charge, provided that they are received at the latest by March 8, 2023.
